**The Rainy Lake Nordic Ski Club trails are open to the public. The trails cover 15 kilometers of groomed skate and classic tracks which were first open for use in 2002. The building of this trail system was made possible with permission from the MNR and funding from the Trillium Foundation and Abitibi Consolidated. (Special thanks goes to Dr. Cam Moorhouse for his contributions to this club.)**

**In the fall of 2006 a ski chalet was built by the club members which was made possible with generous donations of materials, cash and labor from local families and businesses. This addition to the club will provide a shelter for skiers as well as a place to hold ski events and social gatherings for trail users.**

**Come on out and make cross-country skiing a part of your healthy lifestyle!**

***Watch for announcements on upcoming events such as "family ski day", ski races, equipment sales, ski clinics and other special events.***
